<b>FABRIC: 28 CT GRAZIANO RIVIERA NATURAL/BURGUNDY TATTERSALL LINEN</b>	
<b>DESIGN AREA: 56H X 55W • 4" X 4" on 28 Ct</b>	

**Graziano Riviera Tattersall Linen:** *Italian Ice* is designed to fit one block of Graziano Riviera Natural/Burgundy Tattersall Linen. This linen is woven in a pattern of bordered "squares". The small dot symbols on the graph represent the 2 parallel burgundy border lines. **These dots are for placement purposes only.** Do not stitch. It is also important to note that each Tattersall block is really a rectangle measuring 3 1/2" high by 3 3/8" wide, or 2 threads taller than it is wide. Purchase a piece of linen measuring 3 blocks high by 3 blocks wide. Stitch on the center block, holding your linen to match the graph.

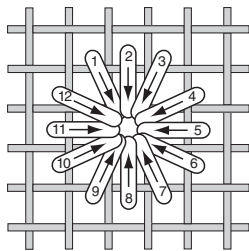

### Instructions:

Work all cross stitches first; then add backstitches and special stitches. Work all cross stitches over 2 threads of linen using 2 strands of floss.

**Backstitching (1 strand):** Work all outlines in the snowflake and all vertical lines in the letters with 902. The horizontal line in the letter "E" is worked in 2 strands of B5200 White.

**Round Eyelet:** Work 16 eyelets in the snowflake using 2 strands of B5200 White. Pull each leg to open the center.

**Just Nan Frosty Flake Charm:** Center charm in the design. Use 1 strand of B5200 White to take small stitches over the base of each snowflake arm.
